

Overview
MassHousing Housing Stability
Request for Letters of Interest

MassHousing's mission is to confront the housing challenges facing the Commonwealth to improve the lives of its people. The Housing Stability Department at MassHousing aims to promote positive tenancies, reduce evictions, and advance opportunities through collaboration, training, programming, and investments.

MassHousing is committed to supporting our business partners in cultivating well-rounded, thriving communities for residents. In this vein, MassHousing's Housing Stability Department is requesting Letters of Interest (LOI) for ideas for pilot programs and initiatives that will benefit MassHousing sites and residents.

Concepts may have potential to advance policy, form new partnerships and/or test promising practices to scale for greater impact. Ideal projects will use inclusive, collaborative, and evaluative processes to pursue innovative approaches to address systemic inequities and promote housing stability.

For a list of MassHousing sites please visit our website at www.masshousing.com/en/renters/housing-list. Please note that this is not a Request for Proposals (RFP) or notice of funding availability. Responses may inform future RFPs or collaborations.

To submit a concept, please complete the provided Letter of Interest Form, with the requested information and submit it via email to housingstabilitygrants@masshousing.com. **Subject line: "Housing Stability LOI"**

Submit all questions to housingstabilitygrants@masshousing.com.

Thank you for your interest in partnering with MassHousing. We look forward to receiving your Letter of Interest and exploring opportunities for collaboration.
